## Finding the Wellcome Trust Sanger Institute

The Wellcome Trust Sanger Institute is the largest of three institutions on the Wellcome Trust Genome Campus in Hinxtton, Cambridgeshire, CB10 1SA. The Genome Campus is situated 20 minutes south of central Cambridge by car.

All visitors to the Wellcome Trust Sanger Institute must report to Security at the main entrance to the Genome Campus. The Security reception building can now be found on the left hand side of the entrance to the Campus, before the barriers. At that time, you will either be met by your host or be given directions to the appropriate location on site.
